Dear Joe & Ronda,

Bette and I would just like to write a word of thanks to you for your concern for us and all of your work on our behalf. We couldn't have chosen a better law firm. Your honesty, expertise, and quick response to our needs and requests sets a good example for other lawyers to follow.

We feel much more at ease now that our estate planning is done, and we also want to say a special thank-you for going above and beyond by helping us get access to our insurance check funds (without any charge to us!)... when no one else was able to help us.

Your Christian testimony is very visible in your work and lives.

We, for sure, will recommend you to others.

Thanks again for all of your help.

Sincerely,

Bill & Bette Erlonmeyer
